Ngāti Rehia Māori ki te Ao Marama

3. THE NAME

The name "Ngāti Rehia Huarahi ki te Ao Marama" was derived from some discussion on the things we wanted reflected in the plan and had consideration of the follow:

- That Ngāti Rehia values form the imperatives for the plan.
- That the plan is directed by Tikanga Ngāti Rehia.
- That the direction of the plan is towards a holistic world view.
- That the plan is inclusive of the many whanau of the young people.
- That the purpose of the plan is clearly indicated.

4. NGA MOEMOEĀ:

The future aspirations that the participants had for our tai tamariki in Ngāti Rehia are:

- To have wairuatanga as a natural part of the lives of the tai tamariki.
- To have regular wananga that inform, educate and develop tai tamariki and their whanau on the cultural construct and matauranga of our Marae, hapu and rohe. e.g. Wairua, Tikanga, Whakapapa, Tapu, Mana, Mauri, Purakau/Pakiwaitara.
- To have services that support and develop the well being of tai tamariki and their whanau.
- To have a hapu based kapahaka roopu that performs locally and nationally in competitions and paid employment.
- To have a youth culture of self determined young people.
- To have clear systems and processes that support the development of kaupapa tai tamariki.

A wharekai in the planning...

3 key outcomes

Achievements

Our plan focuses on the 31 March which is the funding application date for Lotteries and ASB funding. This is a short timeframe in order to achieve our objectives but we decided we needed to challenge ourselves to get this done.

There are three key outcomes we want to achieve within that time.

In summary

Whānau Ora Wānanga key themes	The PATH contribution
Whānau centered practice	A tool that ensures the focus is on whānau aspirations and plans
Achieving Outcomes	A visual representation of outcomes with specific measures
Investing in our Workforce	Growing PATH Facilitators. Facilitation Planning and Evaluation skills strengthened
Investing in Infrastructure & Quality	Building whanau and organisational capacity.
Governance and Leadership	Whanau participation in determining future vision, direction and roles.
